

HURRICANES

Exclusive Bailey's Beach Entirely Wiped Out at Newport, R. I.

THE GREAT NEW ENGLAND HURRICANE OF 1938

September 21, 1938, will long be remembered as the date of the Big Hurricane which swept New England—in all history something never before known to this part of the country.

The loss of lives was appalling; property damage mounted to hundreds of millions of dollars and the homeless counted to hundreds of thousands. The tremendous fury of the wind left behind destruction, destitution and utter ruin.
